ACKNOWLEDGEMENTS
From Ginny Mulle, Executive Director:
Stepping into a new position halfway through the year is a challenge, especially the exponentially high learning curve you face. This was the position in which I found myself last July. I had no idea how much work was left to be done on the Portland program, or that I had to begin to work on the 2015 program - now! Nor that there was a newsletter and elections to be done - now! I am most fortunate that I have the most wonderful assistant I could ever hope for. I cannot begin to thank my Executive Assistant, Janae Teal, for all of the work that she has done.

Everything that has come out of the PSA Executive Office this year has been a collaboration between her and I. Janae's creativity, her exuberance about her work and strong work ethic to “get it done” has made her a joy to work with. Thank you Janae for all you have done to keep the PSA running this year. I knew when I asked Amy Orr to be the Program Chair that it was a good decision, but it turned out to be one of the best decisions I ever made. Organized, direct, a problem solver, she took over that job with both the energy and patience it requires, and I thank you so much. Finally, Dean Dorn. Every year Dean is thanked for his wisdom and the fact that he continues to serve the PSA as treasurer and a committee chair.

From Amy J. Orr, 2014 PSA Program Chair:
I would like to thank the wonderful members of the 2014 Program Committee for all of their hard work. It was an honor to serve with such an incredible team. It is your initiative, diligence, responsiveness, and attention to detail that led to the creation of such an exciting program. Bob Kettlitz, thank you for stepping into the position of the undergraduate coordinator; you did an amazing job of organizing the overwhelming number of submissions that we received this year. Janae Teal, thank you for being above and beyond the expectations for your position; this program could not have been created without your incredible organizational skills, eye for detail, and overwhelming commitment to the PSA. Dennis Downey, thank you for your continued mentorship throughout this process, and for being my primary sounding board. Amy Wharton, thank you for your visionary leadership and willingness to participate in the most mundane of tasks when warranted. Tina Burdssall, thank you for organizing the student volunteers and your willingness to help us with the fine details of coordinating the conference. Ginny Mulle, thank you for all of your work in securing our venue and ensuring that we have the resources needed to deliver our program. Finally, to all of the meeting participants, without you, there would be no need to convene. Thank you for your commitment to making the annual meeting of the PSA a vibrant, intellectual forum.

Help Keep Annual Meeting Registration Rates Low
- Pay registration and dues online at pacificsoc.org
- When you submit your paper, consider the program formatting--use capitals, and do not abbreviate
- Make sure to address all of your possible A/V needs well in advance (this is one of our biggest expenses!)

*Note: Two annual meetings were held in 1934, one in January and the other in December. Meetings were not held during WWII; however, the Presidential Addresses were written and published in the Annual Proceedings. The PSA membership voted in 1944 to move the Annual Meeting from December to spring; consequently, there was no meeting held in 1945. The officers from 1945 were carried over to 1946. There was no Presidential Address given in this year. In 1953, in lieu of its regular meeting, the PSA co-sponsored the annual meeting of the American Sociological Society in Berkeley, which was the first time the ASA met in the Pacific region.

You are cordially invited to attend the
Pacific Sociological Association’s
86th Annual Meeting
Wednesday April 1, 2015 to Saturday April 4, 2015
at the Hyatt Regency Long Beach
200 S Pine Ave, Long Beach, CA 90802

PSA is holding the 2015 meeting earlier in the week to accommodate Easter and Passover. Members told PSA to do this if we could save you money, and we did! This schedule also markedly conserves PSA’s resources.

Arrive early and stay late (still enjoying PSA’s reduced room rates) to take a short course, tour the Queen Mary, cruise to Catalina Island, visit the Aquarium of the Pacific, get dizzy on the antique carousel, soar on the solar-powered ferris wheel, or just sit in the sand.

People, Place, and Power
President: Patricia A. Gwartney, University of Oregon
